IT SERVICES FROM KONICA MINOLTA / **LEGAL**

LEGAL IT SERVICES AND SOLUTIONS

THE TRUSTED ADVISOR FOR LAW FIRMS.

As technology and the way we practice law continues to shift, the legal industry remains one of the most information-dependent sectors. While pragmatically addressing your firms' growing technology needs can present a challenge, it's also the best way for your firm to stay on top of your information, manage it intelligently, and protect your clients.

We help thousands of law firms across the nation to leverage technology. Our clients take advantage of best practices gained through a dedicated focus on a law firms' workflows through legal specific services, applications, processes and hardware solutions. The skills and technology expertise shared and deployed within our customer base allows our clients to simply focus on the practice of law.

ENABLING TECHNOLOGY SO YOU CAN FOCUS ON THE PRACTICE OF LAW.

All Covered is the leading U.S. Legal Technology Solutions Integrator and services provider based on a client centric culture, unparalleled sense of urgency, extensive knowledge of the industry and a best in class service & solutions portfolio.

We help firms design and manage a secure IT infrastructure while leveraging enabling technology to allow them competitive differentiation with the ability to focus on their core competencies. We have been successfully assisting firms for decades in selecting, implementing and optimizing technology.

MORE THAN MSP: LEGAL INTEGRATOR.

Running a law firm in today's world requires the utmost attention to detail, timing, prioritization, economics, and firm management. It's important to view your internal IT infrastructure the same way: numerous moving parts that must work in tandem. As a legal integrator, All Covered enables firms with an end to end portfolio containing secure & stable technology services that allow legal departments to focus on core competencies.

DID YOU **KNOW...**

...using the right Legal software solution can be the difference between running a successful law practice and a mismanaged one. All Covered can guide you through the process of installing, configuring, and training your staff in the use of industry leading applications such as, but not limited to:

Listed at the top of the MSPmentor 501 six years running. Members of numerous ABA Chapters. ILTA Members.

For decades, we've assisted law firms in selecting, implementing and optimizing legal technology.

All Covered can handle everything from system and core needs to specialty needs, workflow concerns, best practices, and practice-specific issues.

LEGAL MANAGED TECHNOLOGY

We can help your firm design, plan, implement and operate a robust technology infrastructure.

THE LAWYER'S HELP DESK

Our team of senior-level engineers extends assistance that meets the specific needs of law firms.

CYBERSECURITY

We assist in developing security plans based on your clients' requirements, addressing attestation strategy, breach response plans, security policies, disaster recovery plans, penetration testing, and various auditory compliance tests.

DOCUMENT MANAGEMENT

All Covered teams up with industry leading DMS's to maximize your firm's efficiency.

LEGAL CLOUD SOLUTIONS

Whether you're exploring back up, disaster recovery, or outsourcing your entire infrastructure, our Cloud solutions enable your staff to work from anywhere at any time.

OUR PARTNERS.
